

COVID-19 (coronavirus) absence: A quick guide for parents/ carers of children aged under 5 yrs

What to do if...	Action needed	Back to settings
 <p>...my child has COVID-19 (coronavirus) symptoms*</p>	<ul style="list-style-type: none"> • Child shouldn't attend early years settings • Child should get a PCR test • Inform settings of reason for child's absence 	<p>... if the child's test comes back negative provided they have been fever free for the 48 hours before returning to settings, and feel well</p>
 <p>...my child tests positive for COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> • Child shouldn't attend setting • Child is advised to self-isolate for up to 10 days** from when symptoms* started (or from day of test if no symptoms) • Inform setting about test results when reporting child's absence • Household members are advised to should take the following precautions: Minimise contact with case if possible. Work from home if able to do so. Avoid contact with anyone who is at a higher risk of becoming severely unwell if infected. Limit close contact with other people outside the household. Wear a face covering in crowded, enclosed or poorly ventilated spaces where you are in contact with other people.*** • If you develop symptoms, isolate and take a PCR test. • Follow this advice for 10 days after the day the case started with symptoms 	<p>...after 10 days, or after two negative lateral flow tests taken on consecutive days on the 5th and 6th complete day of self isolation or later**</p> <p>They can return to settings after 10 days (or 2 negative tests) even if they have a cough or loss of smell / taste. These symptoms can last for several weeks once the infection is gone. Children must have been fever free for 48 hours and feel well before returning.</p>
 <p>...somebody in my household has COVID-19 (coronavirus) symptoms*</p>	<ul style="list-style-type: none"> • Household member with symptoms isolates and should get a PCR test • Household contacts are advised to follow the advice above*** 	<p>...your child can attend settings as long as they don't have COVID-19 symptoms*</p>

*Symptoms include at least one of a high temperature; a new continuous cough; a loss of or change to your sense of smell or taste. See more at: [nhs.uk/conditions/coronavirus-covid-19/symptoms](https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms)

**See overleaf for worked example of calculating isolation periods after a positive test

Isolation for cases lasts **at least 5 full days**

Day Zero	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Day 8	Day 9	Day 10
Day zero is the day symptoms* started or the day the test was taken if asymptomatic. Day 1 of isolation is the day after Day Zero					Negative LFD 1	Negative LFD 2	You can leave self isolation on day 6 or later if you test negative 2 days in a row.			

What to do if...	Action needed	Back to settings..
 <p>...somebody in my household has tested positive for COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> The person who has tested positive is advised to self-isolate for up to 10 days** from when symptoms* started (or from day of test if no symptoms) Household members should follow the advice above.*** 	<p>...your child can attend settings as long as they don't have COVID-19 symptoms* and have not tested positive</p> <p>Positive household members are advised not to drop off or collect children from school during self isolating period .</p>
 <p>...we / my child has travelled from abroad</p>	<ul style="list-style-type: none"> Consider FCO advice when booking travel and review this before departure and return Provide information to settings as per attendance policy <p>Depending on where you are travelling to, there may be requirement for you and your child to be vaccinated, isolate and/ or test.</p> <p>For full guidance on travel advice, please visit: gov.uk/guidance/coronavirus-covid-19-safer-travel-guidance-for-passengers</p>	
 <p>...my child was shielding</p>	<ul style="list-style-type: none"> Shielding has been paused, and there are no children currently considered to be clinically extremely vulnerable to COVID-19 Child can attend settings unless advised by a medical consultant, this is an individual risk assessment 	
 <p>...I am not sure who should get a test for COVID -19 (coronavirus)</p>	<ul style="list-style-type: none"> People with symptoms* 	<p>...when conditions on previous page, as matching your situation, are met</p>
 <p>...I am not sure who should not get a test for COVID -19 (coronavirus)</p>	<ul style="list-style-type: none"> People have tested positive on a PCR test, should not test again for 90 days unless new symptoms develop 	

*****COVID-19: people with COVID-19 and their contacts - GOV.UK. If anyone in your household has symptoms*, book a free COVID-19 test at [nhs.uk/coronavirus](https://www.nhs.uk/coronavirus) or call 119. For further information visit [gov.uk/backtoschool](https://www.gov.uk/backtoschool)**
